Project	Release Date	Release Version
DIKSHA Portal	July 30, 2019	V 2.2.0
DIKSHA Mobile App	August 1, 2019	V 2.2.0
DIKSHA Portal	August 19, 2019	V 2.2.5

About this Document

Scope

This document provides details of features and enhancements made to the DIKSHA platform (Release Version 2.2.0 and 2.2.5) and mobile application (Release Version 2.2.0).

Intended Audience

These release notes provide useful information to:
- State administrators
- DIKSHA PMU

Document Structure

Readers of this document can find specific information within DIKSHA's current broad focus areas of:

- Energized Textbooks
- Assessments
- Teacher Professional Development
- Administration

The enhancements and new features in each of these areas are further classified, based on their use as either for:

- Creation, or
- Consumption

The document also contains a list of reported bugs that have been addressed as part of the release.

Energized Textbook - Creation

New Features and Enhancements

No.	Feature	Description	Roles Impacted
1	Licensing & attribution	The book creation page is enhanced to add license and attribution details. Refer Book Creation	Book creator
2	UI Enhancements	The UI for the creation page is enhanced for better user experience. These changes are effected while creating, editing and sending content for review. The pop-up window to create a Book, Lesson Plan, or to Upload content does not close even when a user clicks outside the pop-up window	Creator

Energized Textbook - Consumption

New Features and Enhancements

No.	Feature	Description	Roles Impacted
1	Licensing & attribution	The Book details page is enhanced to display license and attribution details. For details, refer DIKSHA Portal	Book creator
2	Onboarding Enhancement	Profile values are set automatically when the user scans a QR code while getting onboard DIKSHA.	Mobile App user
3	Enriched Library features	The Library feature is enhanced to view more search results in each resource category. Refer Library	Any user

Teacher Professional Development - Creation

New Features and Enhancements

No.	Feature	Description	Roles Impacted
1	Enrolment enhancement	Course batches are enhanced to have an end date for enrolment into the course. Course mentors can provide the last date for enrolling into a batch. Refer Batch Creation	Course Mentor
2	Limited Batch Size	Invite-only batches have a limit of 100 members per batch. To add additional members, to the batch send a request to Support Desk	Course Mentor
3	Restructuring and publishing courses	Courses can be published in phases and can be restructured on the portal	Course Creator Course Mentor
4	Course Updation	The published courses can be dynamically updated. The course can be now either restructured or a new section be added to it even if there are ongoing batches for the course	Course Mentor

Teacher Professional Development - Consumption

New Features and Enhancements

No.	Feature	Description	Roles Impacted
1	Enrolment updates	The Course batches are enhanced to display the last date to enrol into the course. Users can enrol into a batch within the stipulated time. Refer Taking a Course	Any user
2	Licensing & attribution	The Course details page is enhanced to display license and attribution details. For details, refer DIKSHA Mobile App, DIKSHA Portal	Any user
3	Tracking course progress	The course progress is dynamically updated when the course is updated. Refer Taking a Course	Any user

Administrator - Consumption

New Features and Enhancements

No.	Feature	Description	Roles Impacted
1	Admin Dashboard	The Admin dashboard is enhanced with filters that help narrow down the data display for a specific time period or for particular labels	Organisations administrators

Deprecated Feature

Note: This release has no deprecated feature.

Known Issues and Suggested Solution

Issue: Translations are not available for Work Space section.

Work Around: Change the language to English while using Work Space.

Issues Resolved

No.	Description
1	"Save and Create" options were not working while creating questions SB-13364
2	When the user clicked twice on the **Sign**-**In** button, they were redirected to a wrong page SB-13043
3	Users were able to paste the image directly from the clipboard in Question or Answer instead of using **Add Image** SB-12766
4	The filter option was closed after performing the search on **Courses** and **Library** page SB-12587
5	Topics labels were not updated with the new values when the language of the portal was changed SB-12529
6	The **Details** page under **Book Creator** -> **Send for Review** had DialCode label instead of QRCode label SB-12526
7	The progress of the course was not rounded off when the completion percentage is in decimals SB-12021
8	The association between the values of the board, medium and subjects were incorrect SB-11726
