About this Document

Scope

This document provides details of features and enhancements made to the release version 3.0.0 of DIKSHA platform on June 23, 2020 and Mobile App on June 29, 2020.

Intended Audience

These release notes provide useful information to:
- State administrators
- DIKSHA PMU

Document Structure

Readers of this document can find specific information within DIKSHA's current broad focus areas of:

- Energized Textbooks
- Assessments
- Courses
- Administration
- User Profile

The enhancements and new features in each of these areas are further classified, based on their use as either for:

- Creation, or
- Consumption

The document also contains a list of reported bugs that have been addressed as part of the release.

Energized Text Book - Consumption

New Features and Enhancements

No.	Feature	Description	Roles Impacted
1	Lazy loading feature enabled for QR code search results	Users get visual feedback for search results after scanning QR codes, that indicates that content is loading. This optimizes the user experience on slower internet connections	All users
